International Night: January 11th, 5:00-7:00

Around the world in 80 minutes is Rachel Carson's International Night event. It is an amazing evening that brings together the whole school community to celebrate the cultural diversity of our students. Families are invited to share their cultural heritage by presenting their country's or home state's pictures, landmarks, flags, maps, clothing, local art or music.

Please sign up [here](#) for a country or US state that you would like to represent. We have many countries represented and would like to have U.S. States represented as well! International Night will take place on January 11th from 5:00-7:00. See you there!
