

Rachel Carson Elementary: **PARKING LOT PROCEDURES**

Morning Front Drive-Through

- 1) Pull all the way forward to the end of the yellow curb. Children must exit on the passenger side of your car. After the drop off, pull out and drive away.
- 2) As cars pull out and drive away, all remaining cars should pull forward to the yellow drop off line.
- 3) Do not drop off students in the parking lot, unless you park and walk them
- 4) It is very important to keep the continuous flow of traffic.
- 5) Only right-hand turns can be made exiting the parking lot.

PM Front Drive-Through

1. As you arrive, pull all the way forward in the yellow pick up zone.
2. Always remain in your car so you can pull forward as cars depart.
3. If you need to help your child get their seat belt buckled, I ask that you also pull forward. I recognize buckling up is necessary, but it would help the flow of traffic if you move forward.
4. There will be a “pick-up” zone for all children waiting for their ride.
5. If you need to talk with a teacher or another parent, please park either in our lot or at Inglewood.
6. If bus service is provided in your neighborhood, please consider having your child ride the bus. You can always pick them up at the stop.

I have made arrangements with the King County Sherriff Department to help enforce the above procedures; your child’s safety if important to us.
