

LWSD Snow Make-Up Plan

State law requires students to attend school a minimum of 180 days and 1027 hours per year. Therefore, when school is cancelled due to snow or inclement weather, those days/hours of instruction are required to be made up.

Once the chance of incurring snow days has passed, LWSD will make a decision on how to make up cancelled school days. Depending on the number of cancelled days, make-up days will either be added to the end of the school calendar or worked into the remaining school days.
